

CEO & BOARD CHAIR MESSAGE

RICH YEAGER PRESIDENT/ CEO

MICHELE PANCIO BOARD CHAIR

Thank you for your continued membership and dedication to our Credit Union.

As 2022 marked our 50th year of service to our membership, we celebrated our many milestones throughout the year including promotions, member benefits, and a successful Certificate offering during the third quarter.

Our Credit Union continued its steady growth with more than \$17MM in loan growth, over \$33MM in share growth, and assets reaching more than \$400 million. Our low interest rate loan environment began to shift upward in the fourth quarter as the Federal Reserve began raising rates at a very quick pace to calm inflation. We are optimistic that we have nearly reached the peak and that a downward trend may appear in late 2023 or early 2024.

Our balance sheet continues to remain strong with a net worth ratio exceeding 13% and net income once again exceeding \$2MM.

While no office expansions took place in 2022, we completed the remodel of our Clark Street Branch, giving it a much more modern look. We added an instant issue machine and two offices, giving privacy to members who frequent that branch.

Our Homer Street location celebrated its first-year anniversary and has served us well in managing our Credit Union operations.

Our digital services continue to grow with more than 500,000 transactions processed through our mobile and home banking platforms. We expect that number to continue to grow with a complete Digital Banking platform upgrade in 2023.

As mentioned above, low borrowing rates have faded, and despite that our credit union experienced record mortgage and home equity loan volume in 2022, with nearly \$16MM in loan volume. Auto Loans also experienced a record year with loan volume exceeding \$25MM, a more than \$10MM increase over 2021. Credit Quality continues to be strong with loan losses less than .005% of outstanding loans.

Looking forward to 2023, there is no doubt that financial organizations will experience a turbulent year with unprecedented interest rate increases and the threat of a global recession. Fortunately, our credit union has a strong balance sheet and net worth, which allows us to continue to provide the products and services our members have enjoyed during the previous 50 years.

At this time, I would like to recognize Mary Palumbo and Lee Ann Dineen, two Vice Presidents of the Credit Union, each serving more than 35 years in various positions. We thank them for their service and wish them well in their respective retirements. Additionally, serving more than 20 years as Chairman of the Board, Patrick Kelly has relinquished that role, while remaining a board member. Michele Pancio, current Vice Chair of the Board, were elected as Board Chair, with Jason Crisafulli as the new Vice Chair.

In closing out 2022, and our 50th Anniversary Celebration, we recognize that we have come a long way from our first office housed at Dresser Clark, to four full-service branches and an operations center serving 19,907 members. We look forward to the opportunity to continue to serve our members for the next 50 years.

SUPERVISORY COMMITTEE REPORT

SUPERVISORY CHAIR

The mission of the Supervisory Committee is to safeguard member assets by overseeing the integrity of the Credit Union's financial statements, internal controls and compliance with legal and regulatory requirements. The Supervisory Committee is also responsible for engaging internal and external auditors to ensure management meets financial reporting objectives and follows General Accepted Accounting Principles (GAAP) and NCUA regulations.

In 2022, an internal audit was conducted by The Bonadio & CO LLP. The internal audit provides an additional layer of review of the financial controls used. An external CPA audit was conducted by Mengel Metzger Barr & Co. LLP in September 2022. Throughout 2022, we observed that Olean Area FCU continued to meet the requirements of the National Credit Union Administration (NCUA). The Credit Union's last exam date was June 30, 2021. During the exam, the federal examiners of NCUA audited the Credit Union and any findings were reported to the supervisory committee.

All Committee members as well as Board of Directors completed training required by the NCUA.

The Committee has concluded that the Olean Area FCU operated in a safe and sound financial manner and assets of the membership are being effectively safeguarded. The committee welcomes all comments and suggestions from our members. Concerns and questions may be directed to:

Olean Area Federal Credit Union Supervisory Committee, PO Box 201, Olean, NY 14760.

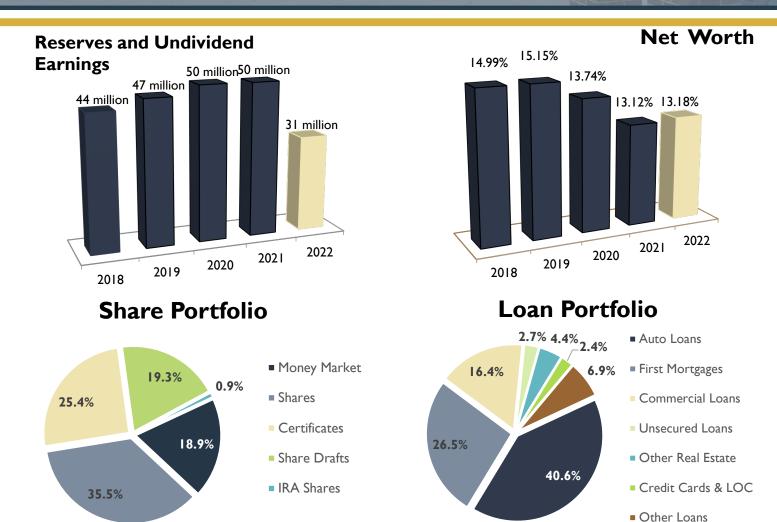

Thank you to the Board of Directors, Committee Members, Credit Union Management, and Credit Union Employees.
