CONGRATULATIONS

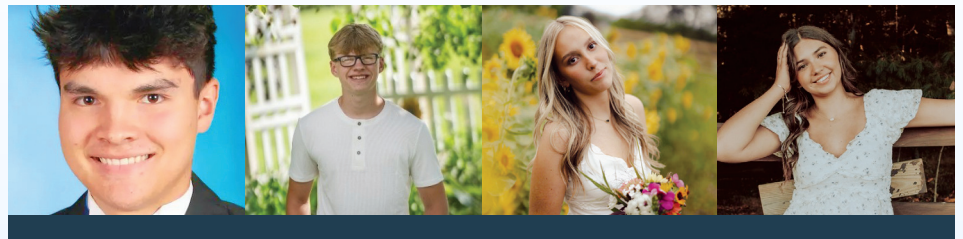

2026 SCHOLARSHIP WINNERS!

High Point Federal Credit Union has granted \$2,000 in college scholarships to four high school seniors to assist them in funding their higher education.

The recipients, who are members of High Point FCU, were selected based on their exceptional academic and extracurricular accomplishments.

Richard Yeager, President & CEO, said that presenting these scholarships each year is a meaningful opportunity to celebrate the ambition and accomplishments of local students. He shared that helping them take the next step toward their goals reflects the credit union's belief in "people helping people," and shows how supporting education can make a lasting difference in the community.

The high school seniors who were honored with the scholarships include Robert Childs and Brett Bergstrom from Hinsdale High School, Maggie McGraw from Cuba Rushford High School and Ali Haynes from Portville High School.
